High Holyday Machzor

This year, we will be using the draft for the new Reform Judaism Rosh Hashanah machzor for both our Rosh Hashanah morning services (Monday 10th and Tuesday 11th September). These will be provided by Kol Chai and available on the day.

For all other services (Erev Rosh Hashanah and all Yom Kippur services), we shall be using the usual machzor – please bring your copy if you have one as we only have a small number available for general use.
